

Stakeholder Engagement 2016  
Local Public Transport round-table meeting - Fighting fare evasion. The new  
regional ticket

**Title: Raising awareness and recidivism**

**SUBJECT:**

To envisage the creation both of school-based projects concerning the importance of paying public and private transport fares in order to strengthen the public spirit of all citizens, and of control and checking systems to gradually identify and punish habitual offenders, as occurs in other European countries.

**PURPOSE:**

The need to increase public spirit and to deter fare evasion.
