

Gianpiero Strisciuglio was born in Bari on 31 July 1975.

He has been Chief Executive Officer and General Manager of Rete Ferroviaria Italiana since May 2023.

He is also Extraordinary Government Commissioner within the two following railway construction projects: Lecco-Tirano and Rome Railway Ring.

He graduated with honours in Transport Engineering from the Polytechnic of Bari, then obtained a Master's degree in Naples' Parthenope University, and has been a member of the National Council of Engineers since 2001.

He began his career with the FS Group in 2002, holding increasingly important managerial positions.

From 2013 to 2014, he was responsible for Rete Ferroviaria Italiana Service Planning and Development in the Bari region.

In RFI he also held the position of Commercial and Operations Director from 2014 to 2017.

From 2017 to 2018, he was Director of Trenitalia Long Haul Passenger Division.

From 2018 to April 2022, he held the position of Director of Strategy, Industrial Planning, Innovation & Sustainability at Mercitalia Logistics S.p.A.

In April 2022, he was appointed Managing Director and General Manager of Mercitalia Logistics S.p.A., position he will hold until May 2023.

Thanks to his many years of experience within the FS Group, he has gained a thorough understanding of the national railway infrastructure and the Group's businesses. As CEO and GD of RFI, he faced numerous challenges, including the management of NRRP resources for expansion and modernisation of the railway network.

In the past, he has held other positions such as: Chairman of the Supervisory Board of TX Logistik; Chairman and Managing Director of AFA Autostrada Ferroviaria Alpina Torino; Member of the BoD of Mercitalia Shunting & Terminal and of Alpe Adria; Member of the BoD of FERMERCI; Managing Director of Quadrante Europa Terminal Gate and Member of the BoD of Strutture Trasporto Alto Adige - STA.

He currently holds the position of Chairman of AGENS (Agenzia Confederale dei Trasporti e Servizi), member of Confindustria, and Chairman of CIFI (Collegio Ingegneri Ferroviari Italiani).
